Tax, Auditing, and Advisory Services

## Use Case

Employee Appreciation

## Application

A Tax, Auditing, and Advisory Services company was looking for a unique way to show appreciation for their employees after a busy season. Using the myBatch configurator, the company started with the Medium-sized myBatch and included the Boxanne Wireless Speaker, Surf Stand, Aruba Pen, and Legally Addictive Surprise Party Cracker Cookies to round out the gift with a crowd-pleasing snack. The employees loved the fun tech and the sweet-and-salty treat while the company was thrilled to include its logo on multiple best-selling products.
