

Best Cooling Towel

Item No: BT12315

Stay cool with this full-color dye-sub cooling towel. Whether they are using it to cool down during a workout, or on the job, this cooling towel is the ultimate promo sidekick. Made of soft polyester with a mesh-like construction, just wet with water and squeeze to activate the cooling power. This towel is the perfect keepsake at a charity run, a fitness club promotion, or a sporting event.
