

WHAT'S NEW

Part two - 2026

TWIST & POUT LIP MOISTURIZER

Item #: MLB07KP

Smooth lips, smarter packaging. This lip moisturizer combines all-natural beeswax and aloe for everyday hydration, packaged in a recyclable kraft paper container, a sustainable alternative to traditional metal containers. It's a thoughtful, low-waste giveaway that leaves lips (and your brand!) feeling good.

- Filled with 10 g of lip moisturizer
- All-natural beeswax & aloe with paraben-free formula
- Containers are made with kraft paper on the outside, oil leak-proof paper on the inside
- Containers are recyclable
- Made in the USA with global material

VAN HORNE JOURNAL

Item #: CA9646

The Van Horne Journal is a smart, everyday notebook designed to keep your essentials together and your ideas moving. Wrapped in a linen-textured cover, it features 80 sheets of lined paper made from recycled materials for comfortable, guilt-free note-taking. The wide elastic band does more than keep pages secure, it doubles as a built-in holder for your phone and pen, so everything you need stays right where you want it. Finished with a page-marker ribbon, it's a practical, thoughtfully designed journal that fits seamlessly into busy workdays, meetings, and on-the-go routines.

- Medium-size journal designed for daily notes, lists, and planning
- Linen-textured cover delivers a clean, professional look
- 80 sheets of recycled lined paper support everyday writing needs
- Wide elastic band secures the journal and holds a phone and pen
- Ideal for office use, meetings, onboarding kits, and practical promos

SCRIBBLER GO NOTEBOOK & WHITEBOARD

Item #: HS701257

The Scribbler Go Notebook & Whiteboard is a versatile hybrid notebook designed for planning, revising, and starting fresh whenever ideas change. It combines a reusable dry erase whiteboard with a 50 sheet lined paper notepad, giving users the freedom to sketch, list, erase, and rewrite without waste. A sleek soft touch cover keeps everything organized, while the included dual tip dry erase marker and cleaning cloth make updates quick and easy. It's a practical, flexible, desk essential built for dynamic workdays and creative thinking.

- Hybrid journal combining a dry erase whiteboard and lined paper notebook
- Reusable whiteboard supports lists, planning, and quick changes
- Includes 50 sheets of recycled lined paper for notes and longer ideas
- Comes with dual tip dry erase marker and cleaning cloth for easy resets
- Ideal for desks, meetings, students, and productivity focused programs

NORTHEAST NOTEBOOK

Item #: CA9647

The Northeast Notebook delivers a writing experience with a premium look and an exceptionally soft feel. It's wrapped in a soft, flexible, cover that features a subtle diagonal texture across the top portion that's balanced by a clean, minimalist lower section for a modern, elevated finish. Inside, 32 sheets of recycled, 80G, lined, ivory pages provide a comfortable surface for notes, ideas, and everyday writing. Compact, understated, and versatile, it's a journal that feels equally at home on a desk, in a bag, or at an event.

- Soft-cover journal designed for everyday note-taking and planning
- Flexible, textured, cover offers a smooth, luxurious look and feel
- Diagonal texture detail adds subtle visual interest
- 32 sheets of 80G recycled lined ivory paper provide a sustainable writing experience
- Well suited for meetings, events, gifting, and general office or student use

CHAMPLAIN CORK JOURNAL

Item #: CA9789

The Champlain Cork Journal pairs natural texture with a clean, retail-ready finish for a notebook that feels both modern and grounded. The cover combines warm cork across the top portion with a solid section for clean branding along the bottom, creating a striking contrast that stands out on a desk or in a bag. Inside, 96 sheets of 80 gram, recycled, lined, ivory pages offer a comfortable writing surface for notes, planning, and everyday ideas. Thoughtfully designed and visually distinctive, it's a journal that feels elevated, intentional, and easy to reach for daily.

- Medium-format journal designed for writing, planning, and note-taking
- Two-material cover combines natural cork with a smooth soft touch leatherette
- 96 sheets, of 80 gram, recycled, lined ivory paper provides a comfortable, premium writing feel
- Clean, retail-inspired design offers strong visual shelf appeal
- Well suited for office programs, events, gifting, and lifestyle promotions

ORTIZ 325 ML. (11 FL. OZ.) MUG

Item #: CM9029

The Ortiz Mug is a dependable everyday ceramic mug with a timeless shape and a comfortable feel that fits naturally into any routine. Sized for morning coffee or afternoon tea, it offers a clean, balanced silhouette that feels familiar and easy to reach for at home or at the office. Simple, sturdy, and endlessly usable, it's a classic mug choice that delivers broad appeal and strong branding visibility across a wide range of programs.

- Classic ceramic mug designed for everyday hot beverages
- Comfortable handle and balanced shape for easy, reliable use
- Holds up to 325 ML. (11 Fl. Oz.)
- Clean, timeless design works across many branding styles
- Ideal for offices, events, hospitality, and general promotions

ORTIZ 416 ML. (14 FL. OZ.) MUG

Item #: CM9030

This Ortiz Mug delivers a little extra room for those longer coffee moments, with a classic ceramic shape that feels solid, comfortable, and familiar. Designed for everyday use, its larger capacity makes it ideal for morning brews, desk refills, or relaxed breaks throughout the day. Clean lines and a timeless silhouette give it broad appeal, while the sturdy build ensures it holds up to daily routines. A dependable upgrade to the standard mug, it's made for people who like their coffee with a bit more staying power.

- Classic ceramic mug designed for everyday hot beverages
- Larger 416 ML. (14 Fl. Oz.) capacity suits longer coffee or tea breaks
- Comfortable handle and balanced weight for easy daily use
- Timeless shape offers wide, versatile appeal
- Ideal for offices, events, hospitality, and promotional programs

THE HYPECUP™ 600ML. (20 FL. OZ.) NOISE CUP

Item #: DA9225

The HypeCup™ Noise Cup is built to fuel both hydration and hype. This 20 Fl. Oz. double-walled tumbler features an integrated horn blower that lets fans make some noise while staying refreshed. Made from lightweight, BPA-free plastic, it's easy to carry and perfect for stadiums, concerts, pep rallies, orientations, and high-energy events. Complete with a straw lid and durable construction, it delivers maximum fun at a crowd-pleasing, budget-friendly price point.

- Double-walled, durable, BPA-free plastic tumbler designed for cold beverages
- Built-in horn blower adds interactive fun and crowd engagement
- Can hold up to 600ML. (20 Fl. Oz.)
- Tall, easy-grip shape works well for sporting events and large gatherings
- Ideal for school spirit, sports promotions, concerts, and parties

METROLOOP 400 ML. (13.5 FL. OZ.) RECYCLED PLASTIC TO GO MUG

Item #: DA9224

The MetroLoop Recycled Plastic To Go Mug is a smart, everyday essential designed for life on the move. This 13.5 oz double-walled mug is made from 100% recycled plastic and wrapped with a sleek stainless-steel accent for a modern, durable look. The secure lid features a silicone spill stopper and an integrated matching strap, making it easy to carry between meetings, commutes, or events. Lightweight, BPA-free, and budget-friendly, it's an excellent choice for large-scale campaigns that still want to highlight sustainability and practicality.

- 400 ML. (13.5 Fl. Oz.) double-walled to go mug designed for hot or cold beverages
- Body and lid made from 100% recycled plastic with BPA-free construction
- Stainless steel wrap adds durability and a clean, modern finish
- Lid includes silicone spill stopper and matching carry strap
- Ideal low-price-point option for giveaways, events, and eco messaging

TRAILSWITCH 900 ML. (30 FL. OZ.) 2-WAY BOTTLE

Item #: WB9738

Meet the TrailSwitch Bottle. A 900 ML. (30 FL. Oz.) double walled stainless steel bottle built for flexible, on the go hydration. Its hybrid lid lets you switch between sip and swig with a simple slider, while the push to open button and locking feature help prevent spills in bags. A wide screw top opening makes it easy to add ice and clean. The integrated carry handle keeps it ready for commutes, workouts, and outdoor days. It's made with 90% recycled stainless steel inner and outer walls for a more responsible choice.

- Double walled stainless steel bottle with a 900 mL (30 oz) capacity
- Hybrid 2 way drinking system switches from sip to swig using a slider
- Push button flip lid with locking feature helps prevent leaks on the move
- Wide mouth screw top fits ice cubes and supports easier cleaning/refills
- High recycled content build and carry handle make it ideal for daily use

URSA MAJOR BOOK LIGHT

Item #: FL9038

The Ursa Major Book Light is a compact, rechargeable reading light designed for quiet moments and cozy corners. Its slim clip easily attaches to books, notebooks, shelves, or headboards, while the flexible arm helps deliver focused illumination exactly where it's needed. With three selectable light modes; white, yellow, and warm, and smooth dimming control, it lets readers customize their glow for comfort without disturbing others. Lightweight, soft-touch, and USB-C rechargeable, it's a thoughtful everyday accessory for reading, studying, and travel.

- Clip-on rechargeable lamp designed for reading and task lighting
- Three light modes with dimming for comfortable, eye-friendly illumination
- Compact design clips securely to books, desks, shelves, or headboards
- USB Type-C rechargeable with durable plastic and rubber construction
- Ideal for bedtime reading, study sessions, travel, and lifestyle gifting

PITSTOP PORTABLE INFLATOR

Item #: CP9000

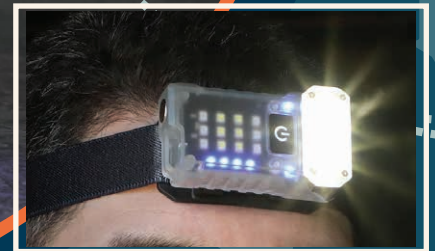

The PitStop Portable Inflator is a compact all-season essential designed to keep you moving with confidence. Small enough to store in a glove box or trunk, it delivers reliable inflation for tires, sports balls, air mattresses, floaties, and more. A built-in LED light adds visibility during roadside stops or low-light situations, while the rechargeable design makes it easy to use anytime, anywhere. Complete with multiple adapters, a storage bag, and premium retail packaging, it's a practical companion for drivers, commuters, and outdoor enthusiasts.

- Compact, rechargeable portable inflator for tires and everyday inflatables
- Built-in LED light provides added visibility in low-light conditions
- Includes air hose, valve adapter, ball needle, and tapered nozzles
- Comes with storage bag, charging cable, and bilingual user manual
- Premium retail packaging makes it ideal for gifting, safety kits, and promos

AURORAMAX HEADLAMP & FLASHLIGHT

Item #: FL9039

The Auroramax Headlamp & Flashlight is a compact, high-output lighting solution built for hands-free versatility and everyday reliability. Delivering up to 400 lumens, it features a 90-degree rotatable light head, multiple lighting modes including white, red, blue, and UV, and a glow-in-the-dark clear body for easy visibility. Use it as a head lamp with the included elastic band or as a standalone flashlight with a magnetic base and rear metal clip. Rechargeable via Type-C, it's a dependable light for work, travel, outdoor use, and emergency kits.

- Dual-function light works as both a head lamp and handheld flashlight
- 400-lumen output with multiple LED modes for varied lighting needs
- Rotatable head, magnetic base, and rear clip allow flexible positioning
- Rechargeable polymer battery with Type-C charging and glow body
- Ideal for outdoor activities, job sites, travel, and emergency readiness

CONTRACTOR USB HUB MULTI-TOOL

Item #: CU9311

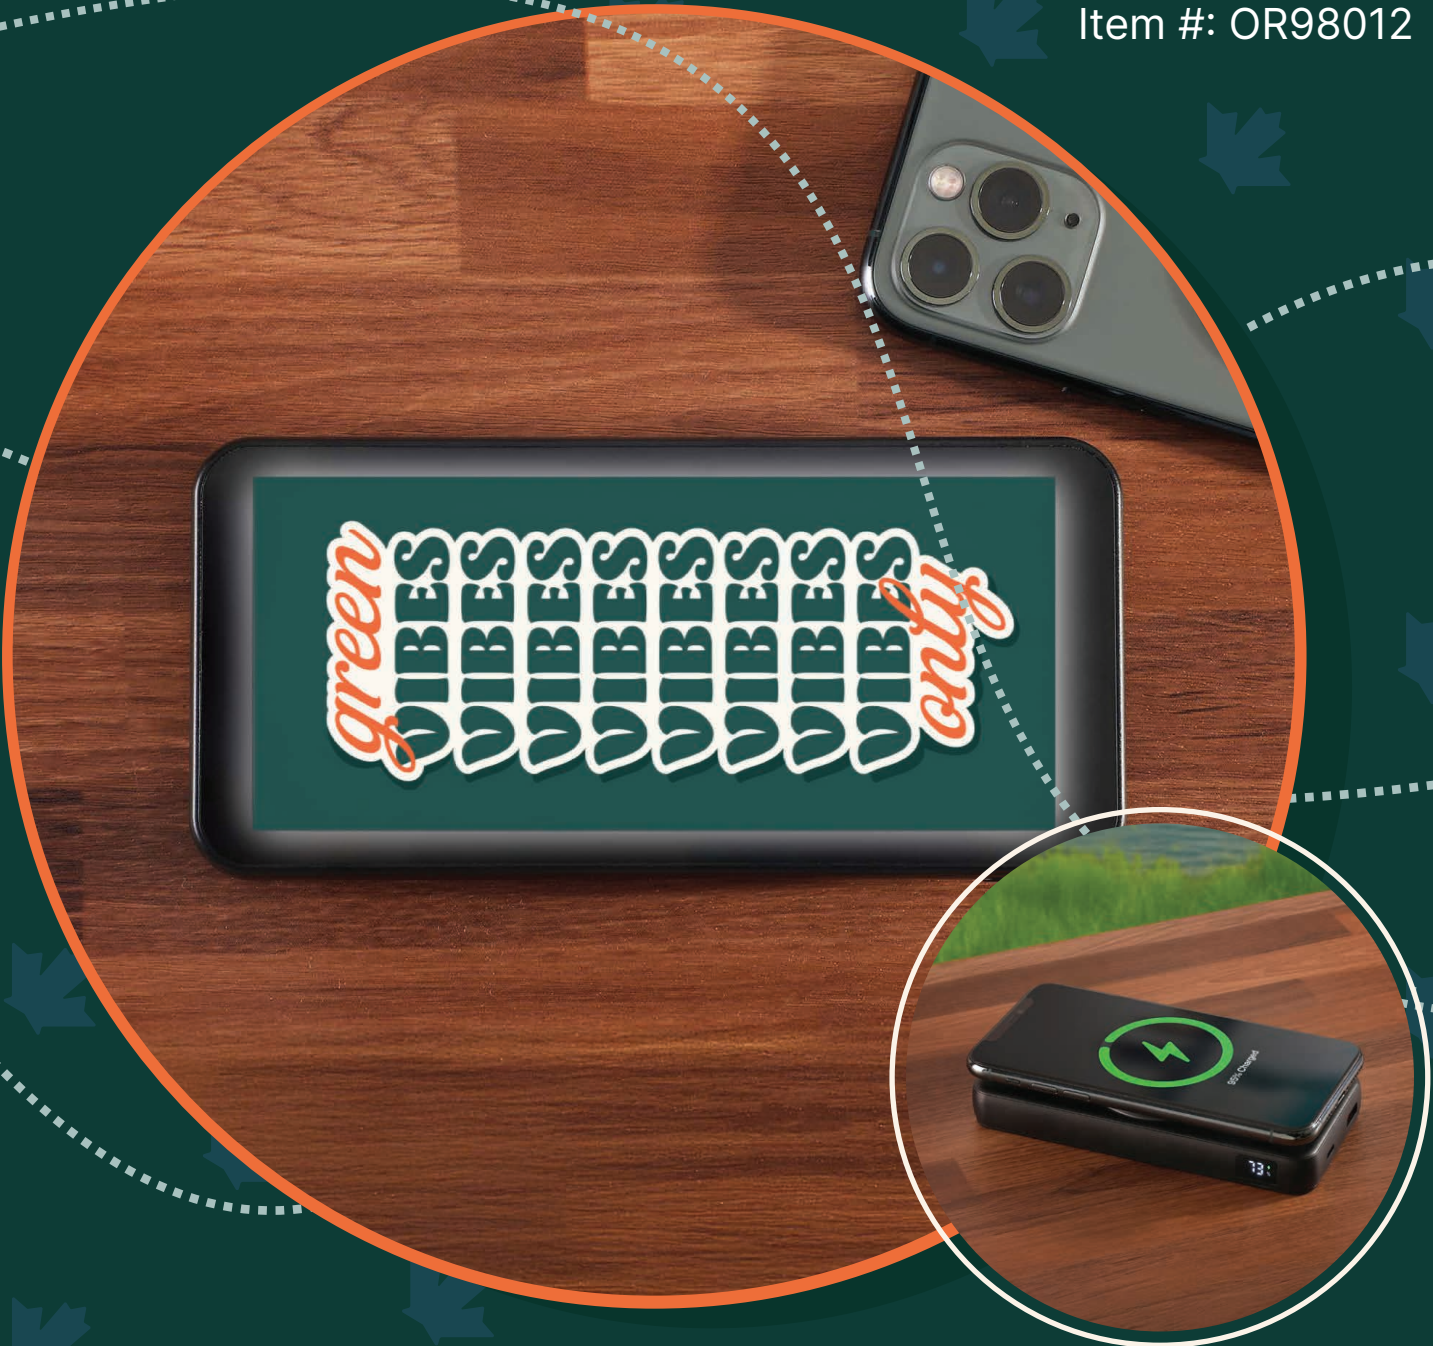

The Contractor USB Hub Multi-Tool combines everyday connectivity with smart, built-in utility in a slim, desk-friendly design. Made from recycled ABS, it features a clean top surface for clear branding, while discreet ruler markings in both centimeters and inches along the bottom edge add practical value. An integrated level offers a quick visual check when setting up workspaces or displays. With one Type-C port, two USB-A ports, a dual-plug cable, and a compact profile, it's a clever tech accessory designed for modern desks and on-the-go work.

- Slim USB hub designed for everyday desk and mobile use
- Includes one Type-C port and two USB-A ports for flexible connectivity
- Built-in ruler markings and integrated level add practical function
- Made from recycled plastic with a compact, travel-ready profile
- Ideal for desk drops, onboarding kits, contractors, and trades companies

POWERGLOW ILLUMINATING POWER BANK

Item #: OR98012

Keep your devices charged in style with the PowerGlow Illuminating Power Bank, where functionality meets impressive visual design. This high-capacity power solution combines powerful charging capabilities with eye-catching illumination that makes it both a practical tool and attention-grabbing accessory. With both wireless and magnetic charging options, this versatile power bank ensures your devices stay powered up anywhere, while its distinctive glowing elements add a touch of sophisticated tech appeal.

- 10,000mAh battery provides multiple full charges for smartphones and other devices
- Convenient 15W magnetic wireless charger attaches securely to compatible devices
- Striking illumination feature creates an impressive visual display while charging
- For travelers, professionals, and anyone needing reliable power on the go
- Illuminated full colour imprint for vibrant branding opportunity

POWERPIVOT 3IN1 WIRELESS CHARGER

Item #: OR98372

Streamline your charging experience with the innovative PowerPivot 3-in-1 Wireless Charger, the ultimate all-in-one solution for your essential devices. This versatile charging station features a unique rotating face that adapts to your viewing preferences while powering up your tech. With dedicated charging zones for all your devices, this sleek powerhouse eliminates cable clutter and keeps your workspace organized with style and efficiency. 3-in-1 wireless charger with rotating face, dedicated zones & sleek design to cut clutter and charge all your devices in style.

- 15W Wireless phone charger.
- 5W Apple watch charger and 2.5W earbuds charger.
- Touch sensor rotates phone charging for different orientation.
- Large full colour imprint on front of wireless charger.

INFINITUNES WIRELESS SPEAKER & CHARGER

Item #: OR701253

Elevate your audio experience with the Infinitunes Wireless Speaker. This striking 10-watt speaker features a captivating mirrored infinity effect that creates an endless tunnel of light, transforming any space into a visual spectacle. Dynamic RGB lighting adds immersive style to every beat, while the built-in wireless charging pad on top lets you power compatible devices as you listen. Infinitunes delivers powerful sound in a design that's impossible to ignore.

- 10-watt speaker delivers powerful, clear sound for music, podcasts, and entertainment
- Mesmerizing infinity mirror effect creates a tunnel of light for stunning visual impact
- Wireless charging pad on top of speaker
- Wireless connectivity provides freedom to play the speaker anywhere without cable constraints
- Dynamic RGB lighting responds to your audio, adding an immersive visual experience

DOUBLE DECKER BENTO BOX

Item #: KP9640

The Double Decker Bento Box adapts to your day with a smart, space-saving design that converts from a compact single-deck lunch box to a roomy double-deck container. Secure snap-bracket closures keep contents contained, while the modular stacking format lets you customize portion sizes without carrying extra bulk. Complete with a fork, knife, and spoon, it's an easy, all-in-one solution for work lunches, school days, or meals on the go.

- Convertible bento box that switches from single to double deck
- Single-deck design expands to double-deck for flexible portioning
- Four snap-bracket closures help keep contents secure
- Includes fork, knife, and spoon for convenient all-in-one use
- Space-saving format ideal for daily lunches and organized storage

CHARCUTERIE TO GO SNACK TRAY

Item #: BHW135CTG

Grazing, to-go! This portable charcuterie tray features 8 removable compartments for meats, cheeses, fruits, and more. A clear lid shows off your spread, while the sturdy handle makes it easy to carry anywhere. It's perfect for picnics, parties, or everyday snacking in style. BPA-free and meets FDA requirements. This is hand wash recommended and microwave safe. Each removable compartment measures 2.375" W x 3.875 L x 2" H.

- Individual compartments are removable—use all, some, or none.
- Features a handle for easy portability.
- Clear lid shows off the snacks inside.
- BPA-free and meets FDA requirements.

EH-SSENTIALS 15-IN-1 MULTI-TOOL

Item #: MT5003

The Eh-sentials 15-in-1 Multi-Tool packs Canadian everyday problem-solving into a compact, pocket-friendly design built for life on the go. Featuring durable stainless steel tools housed in a lightweight aluminum handle, it delivers a wide range of functions—from cutting and tightening to opening, scraping, and scoring—without the bulk of a full tool kit. Designed to be easy to carry and quick to deploy, it is a dependable companion for camping, fishing, travel, roadside fixes, and daily tasks where being prepared makes all the difference.

- Compact 15-in-1 multi tool designed for everyday utility and outdoor use.
- Stainless steel tools with a lightweight aluminum handle for durability.
- Includes blades, drivers, openers, scissors, saw, and specialty tools.
- Small form factor fits easily in pockets, bags, or on a keyring.
- Ideal for outdoor kits, giveaways, employee gear, and practical promos.

NOIRVEIL TOILETRY BAG

Item #: P3780

Designed for easy packing and everyday travel, the Noirveil Toiletry Bag keeps essentials visible, organized, and within reach. Made from a durable, flexible, waterproof, translucent, smokey black material it offers a modern, lightweight look while helping you quickly spot what you need. The single top zipper opens wide for easy access, and the sturdy handle makes carrying simple at home or on the go. Compact yet practical, it's an ideal companion for gym bags, weekend trips, and travel kits.

- Translucent toiletry bag designed for quick visibility and access
- Single top zipper opening allows easy packing and retrieval
- Durable build with a sturdy two-tone polyester carry handle
- Compact size fits neatly into backpacks, duffels, and luggage
- A great everyday travel accessory for overnight travel, or day trips to the gym

MIDTOWN PUFFER TOTE

Item #: P3790

The Midtown Puffer Tote delivers a polished, retail-inspired look with everyday practicality built in. Designed with a quilted puffer silhouette, this spacious tote is made from water-resistant nylon with a polyurethane coating and finished with a soft velvet-feel polyester lining. A full-zip top keeps contents secure, while multiple interior and exterior pockets help organize work essentials, errands, or weekend carry. Stylish yet functional, it's a modern tote that feels right at home in office, travel, or lifestyle campaigns.

- Quilted puffer-style tote designed for everyday carry
- Water-resistant nylon with a soft velvet-polyester lining
- Single zipper top opening keeps contents secure
- Interior zip pocket, interior sleeve pocket, and exterior sleeve pocket for organization
- Strong retail look ideal for lifestyle, employee, or premium promo use

SIDEAWAY CROSSBODY BAG & POUCH

Item #: P3791

The Sideaway Crossbody Bag is a streamlined, everyday carry designed for hands-free convenience & smart organization. Sized to hold daily essentials without bulk, it features a secure zip-top main compartment, an exterior zipper pocket for quick-access items, and an interior slip pocket for added order. The adjustable shoulder strap allows for comfortable, custom wear, while the removable accessory pouch with carabiner keeps small items close and easy to grab. Clean, minimal, and highly wearable, it's a modern crossbody suited to commuting, travel, and lifestyle campaigns.

- Compact crossbody bag designed for everyday essentials
- Zip-top main compartment with exterior and interior pockets for organization
- Adjustable shoulder strap supports comfortable, hands-free wear
- Includes a removable zippered accessory pouch with carabiner
- Minimal, modern style ideal for commuting, travel, or lifestyle programs

AIRES SILICONE LUGGAGE TAG

Item #: TG5000

The Aires Silicone Luggage Tag adds smart visibility and modern technology to everyday travel. Made from flexible, durable silicone, it features a pop-out AirTag® slot that helps your logo stand out while keeping tracking discreet and secure. A steel braided loop attaches firmly to luggage, backpacks, or gear, and an integrated ID card with window adds an extra layer of identification. Compact, colourful, and budget-friendly, it's an ideal travel accessory for giveaways, events, and brand awareness on the move. (AirTag not included) AirTag® is A Registered Trademark Of Apple Inc.

- Silicone luggage tag designed to fit round GPS tracking devices
- Pop-out round GPS tracking device slot creates visual impact and logo emphasis
- Steel braided loop provides secure attachment to bags and luggage
- Built-in ID card and window add identification while travelling
- Compact, practical travel accessory with strong promotional appeal

JETSETT RECYCLED PLASTIC TRAVEL BLANKET

Item #: B9072

The Jetset Recycled Plastic Travel Blanket delivers lightweight comfort wherever the day takes you. Made from 100% recycled plastic fleece, this personal-sized blanket is ideal for planes, stadiums, outdoor events, or commuting comfort. It folds neatly into a compact carry case with handle and snap closure, making it easy to pack and grab on the go. Finished with a faux leather patch detailing on both the blanket and the case, it offers a polished, modern look that balances sustainability with everyday practicality.

- Personal-sized fleece blanket designed for travel and event use
- Made from 100% recycled plastic for a more responsible material choice
- Soft, lightweight fleece provides warmth without bulk
- Includes a portable carry case with handle and snap button closure
- Faux Leather patch details elevate the look for premium promotions and gifting

HARBOUR POM RECYCLED PLASTIC BEANIE

Item #: WC9737

The Harbour Pom Beanie blends classic cold-weather style with a modern sustainability story. Made from a soft, comfortable knit that combines recycled plastic and polyester, this beanie delivers warmth without bulk and a dependable everyday fit. The folded cuff offers a clean, structured look, while the playful pom adds seasonal character. Finished with a faux leather patch for a polished branding touch, it's an easy win for winter programs, employee kits, school spirit, and outdoor events.

- Knit pom beanie designed for everyday cold-weather wear
- Made from a recycled plastic and acrylic polyester blend for comfort and durability
- Fold-up cuff provides a classic look and a secure, cozy fit
- Faux leather patch detail adds a clean, modern branding surface
- Ideal for winter promotions, outdoor events, and seasonal gifting

RPET SHERPA FLEECE BLANKET

Item #: ES993EV

Stay cozy and eco-friendly with our RPET Sherpa Fleece Blanket, made from recycled polyester fleece for a luxurious, ultra-soft feel. Perfect for those chilly evenings, this blanket provides warmth and comfort while helping reduce environmental impact. The blanket features a solid rectangle patch where you can proudly display your company name, logo, or message, making it ideal for promotions or corporate gifts. Easy to care for, simply hand wash cold to maintain its plush softness.

- Constructed of 280 GSM recycled sherpa fleece
- Ultra-soft and warm blanket for those cold evenings
- Features a solid rectangle patch to display your company name, logo, or message
- Hand wash cold
- Ensure stock availability of both the colour and PU patch
