

AURABOX™ 3.0 WIRELESS SPEAKER

Introducing the all-new AuraBox 3.0, the third generation AuraBox with so much more to offer. Built with a powerful 6W wireless speaker and now more pixels to create smoother animations with more color options, this innovative device comes with a digital creative palette, social media desktop notification system, a smart alarm, and more.

- 6+ hrs of audio playtime, 6W speaker
- 16 million RGB colors, access to pixel art community
- Exclusive messaging: 1 to 1 messaging with pixel designs
- 6 hrs of audio playtime, 6W speaker
- Bluetooth v5.0

The AuraBox 3.0's new and improved Smart app allows you to share designs with friends.
