

Snap Stand

Phone Tripod

18500 | MOQ 50

Capture perfect shots and enjoy hands-free viewing with the Snap Stand Phone Tripod, the pocket-sized photography and media solution that travels wherever you go. This clever magnetic tripod attaches securely to your phone, then folds elegantly against the device when not in use—eliminating bulk while remaining instantly available. Its sleek, minimalist design complements modern smartphones while providing stable support for everything from video calls to time-lapse photography.

- Innovative magnetic phone tripod provides instant stability for photos, videos, and hands-free viewing
- Sleek, foldable design collapses flat against your phone when not in use for maximum portability.
- Adjustable angles accommodate various viewing positions for optimal media consumption.
