

Proline 12' Tape Measure

Item #: BT12TM

MOQ 50

Measure mastery for branding accuracy. The ProLine 12' Tape Measure provides a reliable tool for precise measurements. Featuring a 12-foot pull and press-to-lock mechanism for hassle-free operation, the tape is a 1" scale with 1/16" increments. The rubberized finish ensures a comfortable grip during extended use, and the built-in wrist strap and belt clip enhance portability. Perfect for construction companies, builders, material suppliers, renovators, and home care.

- 12-foot pull and press-to-lock mechanism
- 1" scale with 1/16" increments
