

Montada Upcycled Journal

Item #: CA9794

MOQ 50

Introducing the Montada upcycled journal, where using renewed materials meets style. Crafted from earth-friendly materials including cork, coffee grounds, pineapple rind, and bamboo fibers, it's a testament to environmental consciousness. With 80 sheets of 70 gsm lined ivory paper, a page marker ribbon, and elastic band closure, it combines functionality with flair. Plus, the elastic pen loop ensures you'll always have a writing utensil on hand. Perfect for jotting down thoughts, ideas, and memories in a regenerative way.
