

Glacier Peak 12 Can And Wine Cooler

Item #: CB910

Meet the Glacier Peak can and wine Cooler, designed for slim cooler situations. With a capacity for 12 cans or 2 1.5L bottles, it's crafted from durable and water-resistant tarpaulin and zippers that are paired with PE foam insulation. Featuring a front pocket with 2 columns of hanging loops, heavy-duty zipper pulls, and an adjustable/removable shoulder strap for convenience. With added features like a slot for a bottle opener and a double-layer divider, it ensures versatility and organization.
