

FLATMATE GEO NOTEBOOK

SKU: 701280

Meet the notebook that stays open so you don't have to hold it. The Flatmate Geo features a striking geometric-textured cover and 96 pages of 80g FSC®-certified lined paper that lays completely flat for a frustration-free writing experience. Easy-tear pages make sharing notes as effortless as taking them, and the 8" x 5.5" format is the perfect size for desk or bag. A heat transfer imprint on the front cover delivers crisp, vibrant branding on a surface that's anything but ordinary.

- Lay-flat binding keeps pages open hands-free for easy writing
- 96 pages of 80g FSC®-certified lined paper for a quality, sustainable writing experience
- Distinctive geometric-textured front cover sets it apart from standard notebooks
- Easy-tear pages for quick, clean note sharing
- Heat transfer imprint on front cover for bold, detailed brand decoration
