SODA CAN WIRELESS SPEAKER

701294

It looks like a soda can. It sounds like a speaker. The Drinki Speaki is the only wireless speaker of its kind with 3W of audio packed into an instantly recognizable shape that people actually want to keep on their desk. With 4–5 hours of playtime, it's ready for the workday, the tailgate, or anything in between. Give your brand a spot in the rotation.

- 3W wireless speaker with clear, room-filling sound
- Iconic soda can form factor — the only one on the market
- 4–5 hours of playtime per charge
- 1,200mAh rechargeable battery
- Bold wrap-around screen print decoration for maximum brand impact
