

A black rectangular power bank with the Creative Studio logo (three colored squares: yellow, orange, and blue) and the text 'Creative STUDIO' on its side. A black cable is plugged into the top. It sits on a dark surface next to a laptop and a smartphone.

BIG DADDY

LAPTOP POWER BANK

701300

Your laptop finally has a power bank worth trusting. The Big Daddy delivers 45W and 10,000mAh of charging power, handling laptops and other devices with ease — a spec you won't find anywhere else in the category. Built from recycled materials with a full bleed DTS decoration on the side, it's as responsible as it is reliable.

- 10,000mAh capacity with 45W output
- Charges laptops and other devices
- Unique spec not available from competitors
- Shell made from recycled material
- Full bleed DTS decoration on side of power bank
