

METROLOOP 400 ML. (13.5 FL. OZ.) RECYCLED PLASTIC TO GO MUG

Item #: DA9224

The MetroLoop Recycled Plastic To Go Mug is a smart, everyday essential designed for life on the move. This 13.5 oz double-walled mug is made from 100% recycled plastic and wrapped with a sleek stainless-steel accent for a modern, durable look. The secure lid features a silicone spill stopper and an integrated matching strap, making it easy to carry between meetings, commutes, or events. Lightweight, BPA- free, and budget-friendly, it's an excellent choice for large-scale campaigns that still want to highlight sustainability and practicality.
