

FLATMATE GEO POCKET NOTEBOOK

SKU: 701285

Big ideas don't need a big notebook. The Flatmate Geo Pocket packs everything you love about the original into a compact 5.5" x 3.5" size that slips easily into any pocket, purse, or bag. 96 pages of 80g FSC®-certified lined paper lays completely flat for easy writing, while the distinctive hexagon-textured cover and easy-tear pages make it as functional as it is eye-catching. A heat transfer imprint on the front cover ensures your brand travels wherever this notebook goes.

- Compact 5.5" x 3.5" size fits easily in a pocket, purse, or bag
- Lay-flat binding keeps pages open for easy on-the-go writing
- 96 pages of 80g FSC®-certified lined paper for a quality, sustainable experience
- Distinctive hexagon-textured cover with easy-tear pages for quick note sharing
- Heat transfer imprint on front cover for sharp, detailed brand decoration
