

LUNOGRIP CHARGE PHONE STAND & WIRELESS CHARGER

SKU: 701292

Charge it. Mount it. Take it anywhere. The Lunogrip Charge combines 15W magnetic wireless charging with a suction cup base that locks onto any smooth surface for a secure, hands-free hold. Fully adjustable and compact enough to toss in a bag, it transitions seamlessly from office desk to car dashboard to hotel nightstand. A DTS imprint on the center of the charger keeps your brand visible every time someone powers up.

- 15W magnetic wireless charging for fast, reliable power delivery
- Suction cup base adheres securely to any smooth surface
- Fully adjustable for the ideal viewing and charging angle
- Compact design ideal for travel, office, or everyday use
- DTS imprint on charger center for consistent brand visibility
