

PVC Badge Reel PVCBR

This custom PVC badge reel delivers standout brand presence in a compact, everyday essential. Designed with a smooth molded PVC reel and snap, it features layered emblem areas that create dimension, texture, and visual impact while staying lightweight and durable. Ideal for conferences, corporate programs, healthcare, and events, this badge reel keeps ID access easy while turning a functional item into a bold branding moment.

- Custom PVC badge reel designed for daily ID wear
- Molded PVC construction for a clean, durable, premium feel
- Dual emblem areas add layered visual impact and branding depth
- Smooth retractable function keeps badges accessible and secure
- Ideal for staff programs, events, and long-term brand visibility
