

AIRES SILICONE LUGGAGE TAG

Item #: TG5000

The Aires Silicone Luggage Tag adds smart visibility and modern technology to everyday travel. Made from flexible, durable silicone, it features a pop-out AirTag® slot that helps your logo stand out while keeping tracking discreet and secure. A steel braided loop attaches firmly to luggage, backpacks, or gear, and an integrated ID card with window adds an extra layer of identification. Compact, colourful, and budget-friendly, it's an ideal travel accessory for giveaways, events, and brand awareness on the move. (AirTag not included) AirTag® is A Registered Trademark Of Apple Inc.

- Silicone luggage tag designed to fit round GPS tracking devices
- Pop-out round GPS tracking device slot creates visual impact and logo emphasis
- Steel braided loop provides secure attachment to bags and luggage
