

Illuminate Glow in the Dark Stress Ball

A glowing green stress ball is centered on a white cylindrical pedestal. The ball is split vertically, with the left half being a lighter, translucent green and the right half being a vibrant, solid green. The text "MODERN SOLID///" is printed in bold black letters across the center of the ball. The background is a minimalist studio setting with geometric shapes and dramatic lighting that creates strong shadows.

**MODERN
SOLID///**

#SR32GD

Glow with the flow! This glow-in-the-dark stress ball is a luminous twist on traditional stress relievers. Perfect as a giveaway at concerts and festivals, nighttime running events, and trade shows.
