

BendiBoost Flexible Wireless Charging Arm

34030 | MOQ 1 | As low as \$32.00(C)

Meet the BendiBoost, a versatile 15W magnetic wireless charging solution that adapts to your space and needs. Its flexible, fully repositionable arm bends and adjusts to any angle, making it perfect for both vehicle dashboards and office desks. The powerful 15W magnetic charger securely holds and charges your phone while providing optimal viewing positions. Installation is simple with strong 3M adhesive backing, and a Type-C cable is included for immediate use.

- 15W magnetic wireless charging capability.
- Fully adjustable flexible mounting arm.
- Secure 3M adhesive mounting system.
- Includes Type-C charging cable.
- Full-color imprint area on charger face.
