

Looper Magnetic Phone Grip

81020 | MOQ 50 | As low as \$6.50(C)

Meet the Looper, a sleek and simple magnetic phone holder that makes one-handed phone use effortless and secure. This innovative silicone loop attaches instantly to your phone using magnetic technology - no adhesives or messy residue to worry about. Slide your finger through the loop for a confident grip while texting, scrolling, or taking photos. The Looper comes with an extra magnetic ring for non-magnetic phones, ensuring compatibility with virtually any device.

- Magnetic attachment with no adhesives required.
- Silicone loop design for comfortable grip.
- Extra magnetic ring included for compatibility.
- Single-color pad print imprint on loop.
- Affordable price point for everyday use.
