

Hang Around Charging Cable Lanyard

99035 | MOQ 50 | As low as \$14.50(C)

The Hang Around transforms your everyday charging cable into a versatile phone accessory that keeps your device secure and powered up. This innovative design features a robust charging cable that doubles as a convenient lanyard, complete with a practical phone holder functionality. The included plastic insert slides behind your phone case, while black nickel twist attachments ensure your device stays firmly connected and the full-color dome adds a perfect touch for brand impact. USB C connector on both ends of cord.

- Ultra-fast charging cable integrates with lanyard design and features two USB-C connectors
- Phone holder feature with case-compatible plastic insert.
- Secure black nickel twist attachments.
- Full-color dome decoration on molded dongle.
- Perfect for trade shows, traveling, etc. Always have your cable on you and ready to charge.
