

Scribbler Show

Monitor Board

99091 |

Transform your workflow with the Scribbler Show Monitor Board, the innovative desktop companion that keeps your essential reminders within your line of sight. This clever transparent acrylic board attaches effortlessly to your computer monitor, creating the perfect space for notes, tasks, and reminders without obscuring your screen. With multiple organization options and a convenient shelf for small items, this versatile tool enhances productivity while maintaining a clear workspace—the perfect solution for visual thinkers and busy professionals.

- Innovative clear acrylic board attaches securely to the side of your computer monitor.
- Multi-functional surface works as both a whiteboard and a place to attach sticky notes.
- Convenient integrated shelf holds your smartphone, pens, or other small desk essentials.
