

Brightworks Led Lamp Toolbox

Item #: BT322T

You're ready for any job with this toolkit. The Brightworks LED Lamp Toolbox includes an LED table lamp, 40-inch/102cm tape measure, 4 sockets, 1 retractable utility knife, 1 extension bar, 1 screwdriver handle with a magnetic end to hold bits, 4 precision screwdrivers, 10 screwdriver bits, and 8 key hex pieces. Housed in a molded case that keeps the components in place - so there's no mess to straighten up each time you open the case. Comes with three replaceable AA batteries. Light lumens: 20.

- Comprehensive toolkit
- Features a built-in LED table lamp
- Molded case efficiently houses all components
- Portable and convenient design
