Fits in most standard water bottles!

Lightweight and compact!

Great for travel!

Mr.
MISTER
TRAVEL HUMIDIFIER

Plug in the micro USB cable to the Mr. Mister and press the power button to get started.

Easily pop off the top! Remove the inner filter before use and wet both ends of the filter. Re-insert and pop the top back on.

Rubber seal fits securely on most standard single use bottles to create a no spill, worry free environment.

Completely submerge the main body of the product. Ensure the water line is above the highest cut out hole. Plug in and power on to start the humidifier.
