

PROSTOP 16' TAPE MEASURE

Item #: MT0016

The Prostop 16' Tape Measure is perfect for when precision counts. Made with a durable, textured, plastic shell, this tool features a black and green, steel tape with both metric and imperial markings. The auto-lock function keeps the tape steady for safer, more accurate reads, while the strap and belt clip make it easy to carry. A useful promotional tool, making it a standout giveaway for construction crews, trade shows, and home improvement promos.

- 16' tape measure with ABS shell
