

LAYERED WOOD ORNAMENT

Item#: WDLORNPACR

Add some dimension and fun to your next ornament project. Multiple layers of custom cut, all-natural birch wood, are finished off with a clear acrylic front cover creating this stunning holiday ornament. Create your own completely custom ornament by cutting out a unique layered wood design. The layers can be laser engraved and/or stained to match your brand or message.

These custom creations will create lasting branding impressions that last a lifetime.
