

LAYERED WOOD ORNAMENT: SUNCATCHER

Item#: WDLORNSG

Add some dimension and color to your next ornament project. A custom cut layer of all-natural birch wood is backed with a transparent, multi-colored printed acrylic layer creating this beautiful holiday ornament. Create your own completely custom ornament by cutting out a unique layered wood design. The solid back acrylic layer is UV printed to create a suncatcher looking transparent back that lets the light shine through beautifully. Laser engrave your logo onto the wood and create lasting branding impressions for years to come.
