

WHIRLY COMFORT

(Item No: 722)

The Whirly Comfort Pen is a fun and functional promotional product that combines stress relief and smooth writing. Featuring a spinner top that whirls with a simple fidget of the black ball on the barrel, this pen is designed with a matte barrel in fashionable colors and bold chrome trim. Its soft-touch finish ensures comfort, while the twist-action mechanism extends the writing tip for easy use. A perfect giveaway for corporate events or as a unique promotional item, it brings both entertainment and practicality to your branding efforts.

Laser setup value \$45. Optional full color imprints available, additional charges and restrictions apply. Standard production is 5 business days. FOB MA. All pricing in USD and subject to change.
