

Bio-Liiv Drawstring Mesh Produce Bag

Item #LFL9034

Make grocery runs easier! This see-through drawstring bag allows you to quickly identify your produce and checkout codes. Rinse your fruits and veggies directly in the bag, then hang to dry using the 9-inch webbed handle. A simple, efficient solution for everyday use. Meets FDA requirements.

- Includes a webbed handle for easy carrying and hanging.
- Transparent mesh for easy visibility and quick drying when washing produce.
- Features a drawstring to keep produce safely inside.
- Meets FDA requirements.
