

reGen Recycled Polyester Round Dye Sub Coaster

Item #C85RRC

Made with a 100% recycled polyester top and 20% recycled rubber base, this round absorbent coaster is perfect for full-color imprints that pop. The durable rubber backing protects surfaces, ideal for eco-conscious branding with bold impact.

- Top is made from 100% absorbent recycled polyester.
- Base is made from 20% recycled rubber.
- Ideal for a full color dye sublimated imprint.
- Rubber base keeps surfaces protected and scratch-free.
