

Kickit Phone Stand

Item #: CU9329

Prop up your phone with ease using the Kickit Phone Stand. Made from durable zinc alloy with strong 3M adhesive, this slim, mini stand sticks securely to the back of your phone and swings open whenever you need it - always ready for action. Its compact design doesn't add bulk, making it easy to carry everywhere, and provides an instant stand for hands-free video watching, video calls, and more.

- Mini adhesive phone stand
- 3M adhesive quality
- Stick to the back of your phone
- Swing open to use as needed
