

Chun Bamboo Kitchen Trivet/Phone Holder

Item #HW139BT

This bamboo kitchen trivet is more than meets the eye. Designed to protect your countertops and tabletops from hot pots and pans, it also folds into a handy phone holder, making it perfect for following recipes, video calls, or streaming while you cook. Its compact, foldable design makes it easy to store, and at full size, it's ready to handle the heat.

- Trivet doubles as a phone holder.
- Made from bamboo, a sustainable material.
- Great for heat protection or hands-free phone use in the kitchen.
- Compact, foldable design for easy storage.
