

reNew Rechargeable Emergency Safety Light

Item #L307COB

Stay prepared with this rechargeable safety light, ideal for roadside emergencies, power outages, or outdoor activities. With five light modes (COB high, low, and flashing, plus red solid and flashing), it provides powerful illumination with up to 611 lumens and a 49-meter distance. The 2400mAh battery offers up to 12 hours of run time, and the light features three hands-free options: magnet, easel, or clip. Includes a charging cable and is fully charged in 6 hours. Drop-tested and ANSI-certified.
