

# Junior Mate 6' Locking Tape Measure

Item #: BT6TM

This tape measure is small in size, but certainly measures up! It has a handy carabiner so you can attach it to a bag or belt loop. The 6 foot metal tape measure is a 1" scale with 1/16" increments. A lock holds it in place so you will know your measurements without writing it down.

- Metal 6' tape measure
- Includes inches and centimeter markings
- Lock to hold tape measure in place
- Carabiner keeps it handy!
