## 12 oz Stemless Tumbler with Handle

Item: BC12

It's as tough as it is pretty. This double-walled vacuum-sealed stainless insulator for 12 oz slim cans is one of the slimmest hard-sided insulators on the market. The ultra-slim design offers effortless drinkability and fits great in the hand for carrying ease. This insulator is sure to impress with its durable and fashion-forward powder coating finish. The removable lid ring features a sleek stainless steel finish making it truly one of a kind. The lid fits snugly to lock the can in place while sealing in the cold temp! You can choose from a one-color laser engrave imprint or full color for an additional cost. This insulator makes for the perfect gift, with each individually packed in our Ugly Beautiful recycled box.
