# Earthtones Pocket Notebook

CA9793

The EarthTones pocket notepad is a sustainable companion for notes and to-do lists. Crafted with a cover made from 70% recycled paper featuring a subtle die-cut recycled symbol, it echoes environmental mindfulness. This ring-bound notepad includes 70 sheets of 70 gsm brown lined paper with a corner recycled symbol, an elastic band closure, and a built-in pen loop. Paired with the included kraft paper pen, this notepad harmonizes functionality and sustainability.
