

Lantara 2-In-1 Lantern

FL9585

Illuminate adventures with the Lantara 2-in-1 lantern. Emitting 140 lumens, it offers high, low, and strobe modes for adaptable lighting. Effortlessly switch between a lantern and a flashlight with the adjustable carry strap, catering to lighting needs. The 1200 mAh rechargeable lithium battery ensures prolonged use. Packaged in a kraft paper gift box, the Lantara is the perfect companion for those who seek both functionality and thoughtful design in their gear. USB charging cable included.
