

## Flood Gates 6" Domed Rain Gauge

Item GP241RG

The molded stake allows for fence or post mounting (hardware is not included). Or simply insert it into the ground. It measures rainfall amounts up to 6" inches or 15 centimeters. This is a popular item for farm cooperatives or ag service businesses. Exclusive design.

- Measure rainfall amounts up to 6
- Fence/post mounting or insert in into the ground
- Scale markings: Inches on back and Centimeters on side
- Weather resistant polystyrene material
