With 6 different light modes
be prepared for any situation

Zoom Feature

The flashlight has a zoom function
giving it the ability to have an
adjustable beam distance.

+ Wide Short Zoom

- Narrow Long Zoom

Constructed with a
lightweight aluminum
barrel and a OSRAM
P8 LED bulb.

The OSRAM P8 bulb is a fish-eye
lens, which projects a more focused
beam to reach longer distances.

Attached wrist strap
for security when in use.
